This was my first fuck in almost three month. I felt a little rusty, but that quickly went away and used my wom-anly experience to give Ryan a good fucking. Now I have to admit that this is some hot stuff. The stills guy got good shots of that hard cock inside me.

Gitte

But the best stuff was captured on video because you can hear my moans as his hard cock pounds me until I coax his hot cum onto my voluptuous boobs!

THE RIGHT TOOL

Jenna was a 19-year-old college student, doing a practicum at the elementary school where I was the janitor. I'm sure I wasn't the only one to notice that she was one hot babe, with a slender young body and a pretty face. But I was often the only other person in the building when she was putting up bulletin boards or doing other little projects for the classroom teacher after school hours.

That gave me plenty of opportunities to check her out and imagine what it would be like to shove my cock into her warm, wet mouth or hot, tight pussy. I especially liked it when she came down to my office in the basement for a tool or ladder, or for help with something she didn't know how to do. It was during one of her visits to my secluded office that I decided to make my move.

She stood in the doorway, biting her lip and trying to explain exactly what she needed. I invited her in, stood up so she could have my chair, then walked around behind her. I closed the door and rested my hands on her shoulders. I rubbed her tired muscles, then let my hands slide down over her crisp white blouse. Her body tensed, but she didn't protest as I started to massage her firm,

A treat for me – and my friends!

When I got back from my stint at a large military base in Alaska, I picked up **50+** magazine when I saw this gorgeous girl in glasses on the cover. But when I opened it up and saw her getting her pussy stuffed while another woman joined in, damn that was hot. A buddy of mine was over and I showed him the spread and he too was blown away. Then I told him to hold on, there was a video for the scene. I pulled out the computer and sat him down to watch the video. I had downloaded it onto my hard drive and kept it because it was so hot. We sat there that afternoon and watched it. We decided to call a couple more of our buds and invite them over for a private screening. By that time I had watched it all the way through, maybe, ten times and I was still aroused. My bathroom was the second most popular room in my house that night.

– Howie, Seattle

round tits. I leaned over her, and when she turned to look at me, I pressed my lips to hers.

My tongue slipped between her luscious lips, teasing and tasting as it swirled over and around hers. She groaned, kissing me back with more enthusiasm than I had expected. Her kiss was hot and desperate, as though she had been starved for attention.

I pulled her to her feet, then unbuttoned her blouse and freed her tits from their lacy harness. I buried my face against her skin, kissing and licking and sucking on her stiff pink nips. She wrapped her arms around me, holding me tight. I inched up her skirt and slip, then shoved my hand beneath her panties. She groaned and humped against my hand as I rubbed her hot, wet slit.

My cock was hard, oozing juice into my shorts. I needed to get my rocks off, and I knew I couldn't wait much longer. I unzipped my fly and hauled my cock from inside my workpants. I gave it a couple of quick yanks, then directed her back onto my workbench. I tugged her panties from her sexy body and moved between her creamy thighs. I fingered her swollen clit, then poked into her hot little pussy. She groaned and thrust her hips upward.

“Such a horny little

slut," I groaned, rubbing my oozing cock against her, teasing and tickling her slit. "I'm going to fuck that hot, tight pussy."

"Oh yeah, fuck me," she begged.

I didn't have to be asked twice. I didn't hold back at all, just plunged my cock balls-deep into her slender body. I paused for just a second, then began to fuck her harder, faster, deeper. She thrashed and moaned, bucking her hips to meet each of my powerful jabs.

I groped her sexy tits, squeezing and tugging on her reddened nubs. She was real hot and already close to coming. I had never been with a woman who was so horny, so desperate, and so willing.

"Harder, faster," she begged, so I purposely slowed down. I wanted her to experience each sensation, each thrust. I wanted this to be her best fuck ever.

I ground my body against hers, teasing her clit until she groaned with frustration. She tried to slip her hand down between us so she could rub her swollen bud. But I wouldn't allow it and pulled her hand away.

I fucked her with long, slow, deliberate fucks until I could actually see the heat spreading through her. Her sexy body tensed, then convulsed again and again. Her pussy contracted around my cock, then released it with a powerful convulsion. Her inner muscles went on massaging and squeezing until I couldn't hold back a moment longer.

I made one final, desperate lunge, burying my cock

as deeply as possible in her body. My cock jerked and twitched as my creamy load splashed against her insides. I dropped down on top of her, exhausted but feeling more alive than I had in a long time. I pressed my lips to hers once more, and she thrust her tongue into my mouth. Her kiss was hungry, filled with a desperate urgency, as though her need had not yet been satisfied.

Neither of us moved, though our position was not the most comfortable I had ever been in. "That was so good," she whispered. "Can we do it some more?"

I looked into her eyes. "We can do it as many times as you like," I said, though I knew I needed at least a few minutes to catch my breath. "Why don't you let me get some work done, and then we'll take off and go somewhere with a better atmosphere. We'll have the rest of the night."

She nodded and released me from her embrace. "I can't wait," she

said, buttoning her blouse.

I picked up her panties. "Don't you want these?" I asked.

"No, you can have them," she said, grinning mischievously as she turned and walked away. "I don't think I'll be needing them again tonight."

I rolled them up and stuffed them into my pocket, certain she was right. As long as she was with me, she definitely wouldn't need them. I hurried to get my work done, my cock half-hard the whole time. I had sweet little Jenna on my mind, and I couldn't wait to bury my cock in that hot, young body once again.

VIDEO TEEN

I work with this constantly horny 52 year old man. He divorced a few years ago and is constantly murmuring about getting laid. He says he's tried, bars, supermarkets, even the library. So he

bends my ear at lunch, and this is a good one. I hope I can remember it all...

Last week, I stopped by the video store after work to pick up some smut for an evening of fun. Who should I spy behind the counter when I emerged from the adult room but my eighteen-year-old neighbor, Andrea? Embarrassed, I tried to ditch the tapes and run, but she spotted me before I could escape. When Andrea noticed my choices—Teenage Tease and Virgin Next Door—a sly grin spread across her lovely face.

"Gee, Mr. Spinelli," she whispered, leaning forward, "there's no reason you have to fantasize about getting some young stuff when I can give you the real thing. Would you care to check out some new releases with me in the stockroom?"

Would I! I was humiliated, not stupid. Andrea's a gorgeous little redhead with high, perky tits, soft, round hips, and long, sleek legs. The simple white blouse and black skirt that made up her uniform showed off all her assets perfectly. Nodding eagerly, I followed her saucy butt into the stockroom with my cock already at half-staff. When she locked the door behind us, looped one arm around my neck, and grabbed my crotch, I was ready for her.

"Jeez, Andrea," I murmured, "you're really asking for it!"

Her only answer was to glue her plush lips to mine in a steamy french kiss. The instant her fluttering tongue shot into my mouth, I lost all

control. Kissing her back, I went to work on her blouse and bra until I had stripped her to the waist, then began fondling her cute, round tits. Andrea moaned softly in my ear as she pushed my face into her small chest and clawed at my pants.

"Suck my titty, Mr. Spinelli," she whispered as she fished my cock out into the open. "Oh, god! You don't know how I've dreamed of this!"

That was news to me. But I was too busy sucking on her puffy pink nipple to be flattered. Growling like a wild animal, I nursed on her succulent tit while hiking her skirt up to grope her pliant, panty-covered ass. When I finally managed to roll her undies down to her dimpled knees, Andrea nimbly shucked them off and shoved me back against a shelf full of videos. Quickly she sank to the floor and hungrily popped my raging cock into her warm, wet mouth.

"Awwwwww! Yeah!" I groaned, spastically bucking my hips. "Suck it, baby! Suck my big cock!"

For someone so young, she sure knew what she was doing. Gazing innocently up at me, she hollowed her cheeks and bobbed furiously on my cock, hauling me down her throat until my balls were bouncing wildly off her chin.

No man could take that kind of stimulation for long. But before I could unload my rumbling balls, the little vixen spit me out, jumped to her feet, and whirled around to brace herself against an empty shelf.

"Fuck me, Mr. Spinelli," she begged in a husky voice, shaking her smooth, round ass in my face. "I need your cock in my pussy!"

Even though I desperately wanted to nail those dripping teenage pubes, they looked good enough to eat. I decided to get a taste first. Leaning over her shapely hips, I kissed up the backs of her taut, sinewy thighs and parted her succulent ass-cheeks to take a few licks at her teeny pucker before actually digging into her red-furred pussy.

Andrea screamed with delight as my tongue whirled past her pretty pink folds, and she started juicing into my open mouth. I could have stayed there lapping up her sugary cream forever, but my balls ached too badly. Taking her by surprise, I snagged her rolling haunches and rammed my cock into her steamy teenage pussy, hoping like

hell that she wasn't cherry. When no barrier stopped my progress, I pushed on until my bulbous knob poked inside her and my balls bumped her swollen clit.

I grunted, jacking my butt as fast as I could. "You've got one tight pussy, honey!"

"Fuck me, Mr. Spinelli," Andrea hissed, tossing her young ass back on my plowing cock. "D o n ' t stop! I'm almost there!"

She wasn't kidding! I thought her shrinking pussy was going to bite my cock off. Gliding my hands up her trim, undulating tummy, I squeezed her bouncing tits and banged her with everything I had. The added stimulation sent her over the edge.

Squealing in ecstasy, she pushed against the shelves to capture my pulsating cock deep in her exploding pussy as she trembled through

her orgasm. The second she clamped down on me, I started doing some squealing of my own. The searing heat of her soupy pussy was siphoning the spunk right out of my balls.

"Ahhhhh! Shit!" I howled. "I'm gonna shoot!"

"Not inside me!" she cried, suddenly wiggling out of my grasp.

Frustrated as hell, I watched her swing around, drop to her knees, and aim my cock at her open mouth. One hole was as good as the next to my way of thinking, especially when she extended her cute pink tongue and glided her slim fingers along my shuddering length.

Howling at the top of my lungs, I spewed a torrent of jizz down her gullet with amazing accuracy. Andrea let some of the creamy goo collect on her tongue, then swallowed the whole load in one gulp before licking the residue from my bloated knob.

"You're a great fuck, Mr. Spinelli," she trilled, fixing her clothing. "I get through at 9:00. Why don't I stop by your place and we can watch those tapes together?"

I heartily agreed, and she did show up later, just like she said—but that's a whole other story!

— Frank, South Dakota

Wine tastes best when drunk from a pussy

a taste of heaven

I ALWAYS THOUGHT THAT WINE TASTING EVENTS WERE FOR FUDDY DUDDYS – UNTIL THIS ONE.

The minute I saw her standing beside a pyramid-shaped stack of crystal glasses, in a black knee-length dress with a floor-length, maroon curtain behind her, I knew I had to have her. It didn't matter that we were in the middle of a crowded wine-tasting event, or that I was technically on duty for the winery I worked for. As I watched her raise her wine to her lips and sample our winery's finest burgundy, I felt my whole body shudder. And when she poked her velvet tongue out deep into the glass and rolled it around in the dark red liquid, I felt a shimmer of excitement run through my pussy.

It took me at least five agonizing minutes to navigate my way through the crowd toward her. The whole time, my clit was pounding so hard that I imagined that the guests could hear its distant, steady throb.

My pussy-lips were drooling as I slipped into place beside her, selected a delicately fluted glass from the neat rows that lined the table, and raised it in a toast of welcome.

"I'm pleased to see that you're enjoying your afternoon with us," I said. "I'm Nicola. I organized this."

"I'm Emilie," she responded. "And yes, it's been a delightful afternoon. I came by on a whim, actually."

"Well, I'm very glad you did." I smiled. "You've certainly made my afternoon worthwhile."

I was pleased to see an immediate change in her body language. Those inky, mysterious eyes sharpened, her plush lips parted, and her full breasts tilted

toward me instinctively. At that moment I knew she not only sensed my interest, but returned it. Not that I was surprised; my instincts are rarely wrong, and my pussy never is.

"Did you come over here to give me some kind of sales pitch?" she teased. Then she paused to drink deeply from her glass.

"In a way," I ventured. "Are you interested in wine?"

When she put her glass down, her wicked smile matched mine.

"Not really. But I'm always willing to learn more about things that please me."

"In that case, follow me."

Her curiosity was almost palpable as she accompanied me to the plush sitting room the winery keeps to entertain investors, suppliers, and other important associates. The wide sofa there was almost like a bed, and I felt my

cheeks flush with anticipation as I guided her to a seat and settled down beside her. The butter-soft upholstery seemed to embrace the sensual curves of her body. I poured her a fresh glass of the burgundy management keeps on hand for special occasions.

"Will anyone disturb us here?" she asked.

"Not a chance. I locked the door."

We talked about relatively inconsequential things for a while. I discovered that she was an attorney in a fast-growing town just a few miles to the south of the winery, and that she was happily single. I talked about my job with the winery, and how I, too, preferred to steer clear of serious relationships for the time being. But, I added, I was always happy to find

She explored me, too, stroking around the entire circumference of my pussy, dipping her fingertips lightly into my crease now and then while my body throbbed for more.

someone new and interesting to spend time with.

"To new and lasting friendships," I said as the two of us touched glasses. I didn't ask her if she was bi or lesbian, and she didn't need to ask me. The look we gave each other as we sipped our toasts told us everything we needed to know.

Though I admit that I pride myself on my sexual assertiveness, in the end it was Emilie who started things off. Winking, she raised her glass of wine with one hand and unfastened the front of her dress with the other. A moment later, she was tilting her rosy nipples toward the wineglass. I watched, transfixed by the her boldness, as she sensuously dipped each pert tittle into the burgundy liquid. Afterward, she raised her breasts in both hands and gave me first one, then the other, flavored nipple to suck on.

Her dark nipple was soft and hot, and I eagerly coaxed it to attention with my tongue. I indulged myself with glee, lapping and then sucking that tasty, wine-covered bud until it throbbed as hard as a pebble. Next, I took advantage of Emilie's relaxed state to lick both of her breasts, running my tongue down between them, up either side, and finally tracing the outlines of her stiffening areolas one at a time. When she hooked her arm around my neck and crushed me closer, I used my teeth, too, and she pushed against me in a shudder of pleasure.

Emilie turned her thigh so that the waist-high slit in her dress fell open. A sliver of creamy flesh appeared, prompting me to slide my lips down the underside of her breast and then along the smooth plane of her torso. Maddeningly, the dress remained bunched around her middle, though between my lips and my fingers I had excellent access to the most intriguing parts of her anatomy.

Emilie thrust against my face, moaning and parting her legs while I used soft finger-strokes to move the crotch of her thong panties aside. Once I'd uncovered her nest of dusky pubic curls, I sank my whole hand into it, kneading and massaging. Eagerly she took my palm in both of hers and moved it up and down over her hairy mound, leaving my skin as damp as her moistening hole. Finally, when it seemed she was about to come from the friction alone, she raised my hand back onto her left nipple. I took a long time with her breasts, teasing those rosy nipples erect and nibbling at them just as I had done before.

"Why don't you undress, too?" Emilie suggested at last, using her tongue to stroke my neck.

"Yes," I agreed. The words came out in a moan. "Do it for me."

Gradually she eased the spaghetti straps of my own gown down over my shoulder and rubbed her fingertips over each inch of bared flesh. Lost though I was in Emilie's softness, I had to admire her skill: as soon as she had stripped me naked, she pressed up against my hot, bare body, then slowly pivoted around to a 69 position. My hand never left the warm, wet cavern of her pussy, though now my mouth settled against the juncture of her thigh and hip.

I was in no hurry, so I decided to savor the sleek, marble-smooth texture of her skin against my lips. She explored me, too, stroking around the entire circumference of my pussy, dipping her fingertips lightly into my crease now and then while my body throbbed for more. My legs opened involuntarily, fully exposing my pink fruit to her appreciative gaze.

"I think we may have accidentally spilled some of that delicious wine here," she purred as she brushed her fingertips along my drooling slit. She knew just how to handle me, because on her second pass she inserted them only until I felt another flood of my natural lubricant ooze across my thighs, then withdrew them slowly, to my sweet torment.

"Lick it away," I gasped. "Please, Emilie."

She was only too happy to honor my request. I nearly shot over the edge when she lowered her mouth onto my pussy and worked her tongue around and in between the folds of hot skin. My hips lifted and shuddered as I felt her cheeks grind into my bush and her tongue flick against my clit. I writhed as involuntary tremors raked my body. When she tilted her head at just the right angle, I could actually see

...my clit grew swollen and began to throb. I dug my fingers into her hips and screamed out loud as the first wave of orgasm rolled through me...

her tongue sliding along my stiff red clit. The sight, combined with the soft rasp of her flesh on mine, aroused me almost beyond belief. Though I was already wet, this time I felt a virtual gallon of hot juice spread through my pussy-hairs and slick my thighs.

Hastily I disposed of her silky underwear—and I'm afraid I burst at least one seam in the process, though she never complained—and slipped my fingers into her wet slit with a moan of appreciation. While she licked me, she ran her own fingers around and over my breasts, pinching my nipples until they stood up even harder and tighter.

Under her urgent prodding, my clit grew swollen and began to throb. I dug my fingers into her hips and screamed out loud as the first wave of orgasm rolled through me, sending that familiar hot blaze through my pussy and thighs and all the way into my ankles. My fingers were now in her up to the last knuckle, and I kept them there as I moved my lips toward the same steamy orifice. Along the way, I playfully nipped at the flesh of her thigh while she jolted against me in arousal.

When I finally reached her pussy, I hooked my thumbs into her labes and pushed the skin back. I felt her clit quiver, ramrod hard, against my tongue as I glided it up and down, over and under that rigid triangle of flesh. Soon my spit, and her sweet-scented honey as well, came streaming down the creamy planes of her thighs.

It didn't take long for both of us to start coming. Every brush of her tonguetip stoked the glowing embers that gradually became a roaring fire inside me. It spread outward, consuming everything in its

path, filling me with a volcanic rush of passion like I'd never felt before.

"Come with me," I wheezed, speaking directly into her pussy. Then I went back to tonguing her.

"Yes," she moaned back, pushing her crotch up into my face, impaling her wide-open pussy on my outstretched tongue. "I'm there, I'm right there! Just a little—ooohh!"

Her words trailed off in a squeal of pure abandon as her body bucked and convulsed. Her pussy spasmed, drawing tight around my lips, her nectar splashing my lips and smearing my cheeks. At the last moment before she plunged completely over the edge, I reached out and grabbed the glass of wine I'd stashed on the endtable when I'd first reached for her.

Holding it poised just above the juncture of her pussy and my lips, I tilted it slowly and let the tangy crimson liquid trickle down toward her clutching chasm. That drove her completely wild! I could feel her tongue buzzing my own clit raw as she struggled to keep up with what I was doing to her. Though she wasn't nearly as steady as I'd been, she dribbled the last of the wine from her glass onto my pussy, too. We made a perfect mirror-image—my face buried in her pussy, with sweet rivers of fresh wine streaming down the crevices of her thighs, and vice-versa. That in itself was an incredible turn-on!

Though every jolt of her hips threatened to fling me off her body, I stayed with her, adjusting my facial thrusts to meet every plunge and shudder of her orgasm-ravaged body. When she finally came down from that pure sex-induced high, my jaws ached as if they'd become unhinged. My tongue burned with her spicy fluids. But wow, had that been worth it!

After we'd rested a while, Emilie smiled, kissed me, and righted herself on the sofa. She reached down to fix her dress, which was still bunched around her middle, but my hands on hers stopped her in mid-motion.

Rolling over, I opened the wine cabinet and lifted out another of our finest vintages. This time, I positioned Emilie on her stomach on the sofa and let the wine dribble down into the creamy cavern of her butt-crack. She giggled when I bent to lick away the excess that had pooled on the planes of those beautiful cheeks.

After all, this was supposed to be a wine tasting event! The least we could do, I figured, was savor each other to the last drop.

Blonde Eastern Euro-MILF Natalia just started to shoot porn this fall and is still at it after several months. She has a fantastic, petite body that perfectly matches her innocent look. She shows off her pink pussy in this solo scene, and plays with her blue friend in her wet pussy until she cums.

Natalia

She loved this so much that we shot her for a second, and third, and fourth scene as she played with more dildos and vibes, and had more fun!

Mmmmmm,
I just can't
wait to get
it on today.

I woke up
horny and
I've been
horny all
day long. I
can't wait
to wrap
my mouth
around a
huge, hard
cock, and
then put
it into my
pussy.

But that's
not the best
part... That's
you getting
to watch!
